You can contact Vietnam Embassy in your country

OR

1 month Tourist Visa upon arrival (VOA)

You can contact us for visa upon arrival at

[info@itsvietnam.com](mailto:info@itsvietnam.com)

## key points to note :-

When entering Vietnam after 15th March 2022:

\*Tourists need to follow the guidance on medical conditions for entrants entering the country by Vietnam Ministry of Health: The Ministry of Health said Wednesday foreigners entering Vietnam only need to furnish a negative Covid-19 test certificate and are not required to quarantine.

\*The test must have been done using the RT-PCR method within 72 hours before departure or the rapid antigen methods within 24 hours. *Children under 2 years* of age are exempt from all requirements. Children between the ages of 2 and 12 must be tested prior to departure.

\*Those who cannot take a test before arrival have to be tested within 24 hours after entering and can leave their accommodation if they are not infected. They are required to monitor their health for the first 10 days after arrival and notify medical staff if they have symptoms of Covid.

\*All must also use the PC-Covid app during their stay in Vietnam.

## Further recommendations:

[www.whataboutvietnam.com](http://www.whataboutvietnam.com)

[e. news@whataboutVietnam.com](mailto:news@whataboutvietnam.com)

1. For Evisa or advice on your country's Visa requirements, exempt or otherwise check with this website:-

[https://evisa.xuatnhapcanh.gov.vn/en\\_US/web/guest/khai-thi-thuc-dien-tu/cap-thi-thuc-dien-tu](https://evisa.xuatnhapcanh.gov.vn/en_US/web/guest/khai-thi-thuc-dien-tu/cap-thi-thuc-dien-tu)

2. You will be required to download the official Covid App and register. It is suggested while you have WIFI in your own country you do this prior to leaving given you may have difficulty accessing WIFI at the airport. See Symbol left to look for on App store.

Links here -

<https://apps.apple.com/vn/app/bluezone/id1508062685?ls=1>

<https://play.google.com/store/apps/details?id=com.mic.bluezone>

3. Please ensure you have all E-visa letters, or Letters of introduction with you at CHECK IN DESK in your country of departure, all with your name clearly spelt correctly, and all Covid status up to date on your phone.

## What is still unclear:-

1. It is still unclear if unvaccinated travellers or travellers who have recovered from Covid, may enter Vietnam. We expect more information to come forward on that.
2. While there has been no mention of travel insurance, we would suggest all travellers have travel insurance that specifically covers Covid related medical expenses and possibly up to the value of \$10,000 USD.

## During your stay:-

1. If guests test positive or become unwell during their stay they will be allowed to stay in their current accommodation and self isolate.
2. It is our recommendation due to the need to use the Vietnam Covid App, that you purchase a Vietnam Sim card to allow access away from your hotel WIFI.
3. We would suggest if you have any concerns at any time, to contact us immediately.
